

**We, the undersigned, are residents of the New York 23rd Congressional District who oppose changing Medicare by providing vouchers (aka “Premium Support Payments”) and increasing the age to qualify for Medicare from 65 to 67. We would prefer that Congress lift the cap on earnings subject to the Medicare payroll deduction (currently at \$118,500) or increase the payroll deduction (presently at 1.45%) to keep Medicare solvent.**
