

# LINDA ANDREI, MD FOR CONGRESS

## Linda's Priorities

- **Focus on improving our health care system**
  - Move toward a single payer system to cover all Americans
  - Work to expand access to primary care doctors in rural communities
  - Negotiate to lower the cost of prescription drugs for seniors
  - Invest in comprehensive mental health and addiction recovery treatment
  - Address the contributing factors to illness –poverty, food insecurity, lack of decent housing and social isolation
- **Honor the Social Contract**
  - Protect Social Security and Medicare
  - Champion quality education and college affordability
- **Invest in Upstate New York small businesses to spur job growth**
  - Support a fair and balanced tax policy
  - Single payer will reduce the health care burden for small businesses and farmers
  - Repair and rebuild America's infrastructure (example: sea wall in Dunkirk)
  - Fight for a clean environment so that NY-23 can be the recreational capital of New York State
  - Protect vineyards and small family farms
- **Support an economy that strengthens the middle class**
  - Raise the minimum wage to \$15 per hour
  - Invest in vocational training and trades apprenticeships so our young people can get ahead and stay ahead in the Southern Tier
  - Invest in the jobs of the 21st century -- wind, solar, and geothermal to move toward energy independence and provide good paying jobs for working families
  - Eliminate tax loopholes for international companies and champion fair trade policies that support workers in NY-23
- **Save our democracy**
  - Reverse Citizens United
  - Stop the privatization of public institutions
  - Reinstigate the Voting Rights Act
  - Make election day a national holiday
